

CRUK project grant	£ 176,862	(04/2006-03/2009)
BBSRC project grant	£ 247,125.40	(01/2006- 01/2009)
Royal Society Dorothy Hodgkin Award	£ 207,416	(10/2005-03/2010)
Royal Society project grant	£ 15,000	(10/2005-09/2006)

## **SERVICE, COMMISSION OF TRUST AND INSTITUTIONAL RESPONSIBILITIES**

### **Advisory Boards, Committees, and Grant Panels:**

Advisory committee EU7 'COMREC' (crop recombination, 2014-2018)  
 Advisory committee UK SUSTAIN trial (women in science; early career stage; 2015-2016)  
 Organizing Committee CNRS Mammalian Meiosis Network (2015-2017)  
 UK Medical Research Council Training and Career Group (2011-2016)  
 External thesis Committee: MRC National Institutes of Health, Mill Hill, now Crick Institute.

### **Conference and Consortium Organising and Chairing:**

Co-Chair and Director, Human MeioMap Project, co-founder; 2013-  
 Main organiser, EMBO Meiosis Conference 2015 (main organiser)  
 Organiser & Founder, British Meiosis Meeting, 2009 (now in its 8<sup>th</sup> year)  
 Session Chair, British Meiosis Meeting, 2010, 2014, 2015.  
 Session Chair, Gordon Meiosis Conference 2016  
 Session Chair, FASEB Yeast Chromosome Structure, Replication, Segregation 2016

### **Associate editor:**

Royal Society Open Science  
 Nature publishing group, Science Direct  
 Seminars in Cell and Developmental Biology (guest editor, 2011)

### **Reviewer contribution:**

Nature journals, New England Journal of Medicine, EMBO journals, PLoS, Cell Press journals;  
 NAR, Genetics, DNA repair, Open Biology

### **Grant reviewing:**

ERC (all stages), CRUK, EMBO, MRC, BBSRC, Wellcome Trust, LLR, Newton Trust, Austrian Science Foundation.

### **Postdoctoral, PhD, and Master student advisor:**

Five postdocs (one PI at Johns Hopkins), supervision of seven PhD students (two completed) and co-supervisor of seven. Supervision of more than 20 successfully completed master theses.

### **Institutional and teaching commitments and Outreach activities:**

University of Sussex, ATHENA-SWAN subcommittee Retention an Re-entry of Women in STEMMs (2013-2015)  
 MRC-GDSC: Imaging Committee; Data Management Committee; PhD Programme Committee.

University of Sussex- teaching service (lecturing, tutorials, seminars, marking, project and academic advising, open days)	2010-2015
EMBO PhD Course, EMBL Heidelberg, Germany (1 week/year)	2014-2016

### SELECTED INVITATIONS TO CONFERENCES [**> 40 total SINCE 2007**]

EMBO Meiosis Conference	Croatia	Sept	2017
Keystone Conference “DNA Repair and Recombination”	USA	March	2017
KLRB 4 <sup>th</sup> Symposia on Frontiers in Reproductive Biology	China	Oct	2016
FASEB Yeast Chromosome Structure, Replication, Segregation	USA	July	2016
GRC Gordon Meiosis Conference	USA	June	2016
EMBO Meiosis Conference ( <b>main organizer</b> )	UK	Sept	2015
International Society for IVF (ISIVF), Annual Conference	Den	Sept	2015
The Biology of Meiosis: implications for fertility and genetic disorders	Spain	June	2015
EXCEMED Annual Conference in Reproductive Medicine	Spain	May	2015
University of Vienna, Workshop on Chromosomes in Medicine	Austria	March	2015
ICC International Chromosome Congress, 20 <sup>th</sup> meeting	UK	Sept	2014
FASEB Yeast Chromosome Structure, Replication, Segregation	USA	July	2014
GRC Gordon Meiosis Conference	USA	June	2014
EMBO Young Scientist Forum (invited plenary, declined)	Brno	May	2014
EU7 MeioSys meeting: Plenary Speaker	Naples	May	2014
Internal Society Meeting for Preimplantation & Diagnostic Genetics	UK	May	2014
EMBO Meiosis Conference	Germany	Sept	2013
FASEB Yeast Chromosome Structure, Replication, Segregation	USA	June	2012
Royal Society Meeting, Crossover Control in Meiosis	UK	Nov	2012

### SELECTED, RECENT INVITED SEMINARS

Workshop on Chromosomes in Medicine	Vienna	Mar	2015
University of Newcastle	Newcas.	Feb	2015
Institute Curie	Paris	Oct	2014
Cancer Research UK, Clare Hall	London	Dec	2014
University of Dundee	Dundee	Sept	2014
Wellcome Trust Centre for Cell Biology	Edinburgh	Oct	2013
MRC National Institute of Medical Research	Mill Hill	Sept	2013
University of Canterbury	Cant.	Nov	2012
MRC Clinical Sciences Centre	London	Apr	2012
